Anti Money Laundering Requirements

To satisfy the Joint Money Laundering Regulations (JMLR) we require confirmation of your identity and residence. This enables us to comply with the current UK Anti-Money Laundering Rules. Please note, if you wish to open a joint account we will need to see documentation for all individuals named on the account.

A certified copy of a passport or driving licence will be sufficient for proof of identity; a certified copy may be obtained from a bank, building society or Solicitor. When confirming an address, a utility bill with a date during the last three months will be sufficient for these purposes. It is strongly recommended that you do not send original documentation through the post, as GHC would have to return these at your last stated address at your own risk.
